

23rd Charles River Cleanup on the Esplanade

Saturday, April 23, 2022

[Join us for this year's 2022 Charles River Earth Day Cleanup on the Esplanade!](#)

Promote a sense of camaraderie and teamwork amongst your employees while simultaneously promoting park stewardship and giving back to the local community through this year's Charles River Esplanade Cleanup on **Saturday, April 23rd** from **10am to 12pm!**

The 2022 Charles River Esplanade Cleanup is part of this year's 23rd Annual Charles River Cleanup, a collaborative cleanup effort along the Charles River organized by the Esplanade Association, Charles River Watershed Association, Charles River Conservancy, DCR, Emerald Necklace Conservancy, and Waltham Land Trust. In 2016 and 2017, the Annual Earth Day Charles River Cleanup was recognized by American Rivers for the Most Volunteers Mobilized in the U.S.

The Charles River Cleanup is annually the biggest volunteer cleanup event for the Esplanade Association, which usually brings in between 400 and 600 volunteers. **Volunteer days along the iconic 64-acre riverside park are strategically planned to follow DCR's Volunteering in the Parks guidelines and public health guidelines set by the CDC and state of Massachusetts to ensure a safe and healthy experience for all volunteers.** Esplanade Association will keep groups updated if there are any changes to these guidelines as the date for the cleanup approaches.

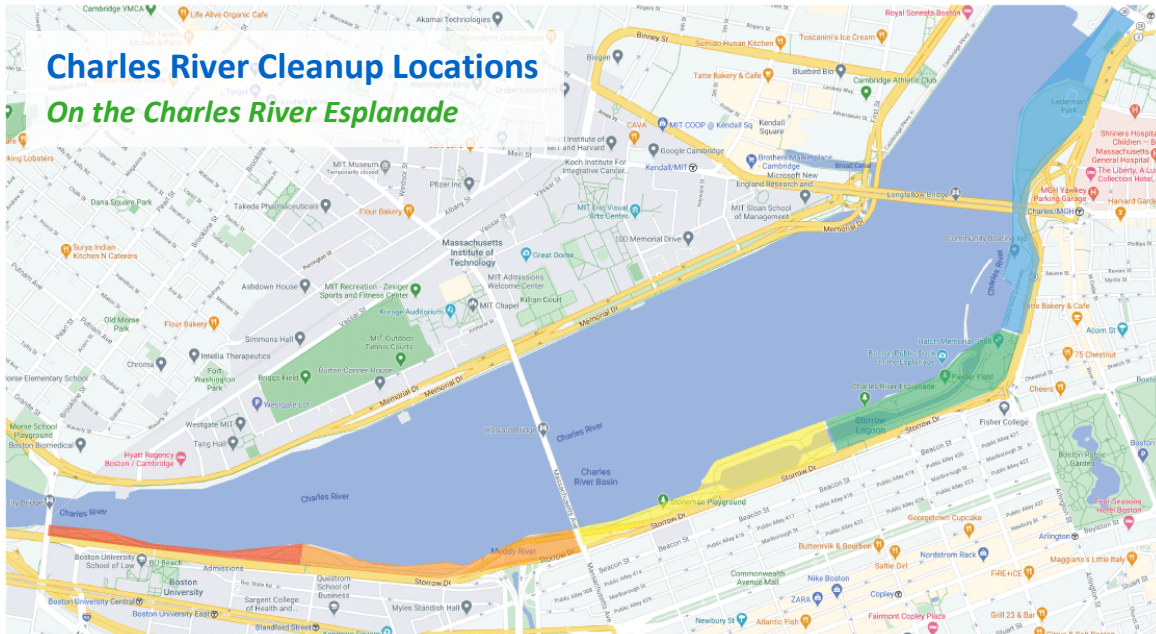

[Suggested Donation Rates](#)

To the right are the **suggested donation rates** for corporate/institutional groups participating in the 23rd Charles River Cleanup:

Group Size	Suggested Donation Rate
Groups of 10 & below	\$1,250
Groups of 11-24	\$1,500
Groups of 25-49	\$2,000
Groups of 50-75	\$2,500

[Cleanup Locations](#)
